AGUSTIN RB

AERIAL STRAPS ARTIST

I am a Mexican-Spanish aerial straps specialist from the National Circus School in Montreal with over 5 years of professional experience. I have performed in Saint John's International Circus Festival (2021), and the renown Cirque de Demain festival (2023) where my lyrical and seductive movements awarded me the prize of the City of Paris.

Known for my expressivity, fluidity and dynamism, I have collaborated in award-winning productions from Cirque du Soleil (BAZZAR), Strut & Fret (Blanc de Blanc ENCORE, Limbo UNHINGED, and Blanc de Blanc Uncorked!), amongst many others multidisciplinary productions where I've explored disciplines that range from underwater dance to research assistance in circus studies, from aerial acrobatics to project management.

I've also completed a 6-month training program in entrepreneurship and cultural innovation set up by CRITAC in partnership with La Piscine, MOSAIC – Le Pôle créativité et innovation de HEC Montréal and Percolab.

Beyond my work, I find inspiration in the wonders of day-to-day life and believe in the transformative power of finding solace through creation. Raised with latinx values, I am a deeply social being with a yearn to foster a caring community across the groups I belong to.

SIGNATURE ACT

El/Mi reflejo de Ícaro

Awarded the prize of the City of Paris during the 42nd edition of Cirque de Demain.

ABOUT

The piece, el/mi reflejo de Ícaro, is a solo aerial straps performance that explores self-discovery through mythological imagery. Delicate movements reveal the unmasked essence of “the angel,” guiding the audience into a state of timeless contemplation.

Inspired by Renaissance and Romantic icons, the piece symbolizes the hero’s journey toward transcendence. It is a self-portrait and a rite of passage, offering my personal myth to the audience.

CABARET ACT

UNGODLY

Sensual and otherworldly captivating! - JM

ABOUT

UNGODLY is an aerial straps act where the angel descends into the underworld, shedding celestial purity to reveal a hedonistic, earthly side. Still bearing traces of divinity, the character surrenders to sensuality and the forbidden pleasures of freedom.

Blending precise, intense movements with cabaret-inspired aesthetics, the act evokes the duality of the sacred and the profane. Perfect for intimate settings like cabarets and theaters, UNGODLY transforms the traditional angel into an icon of desire and passion.

DUO ACT

Stay Tonight

Seamless flow of control and balance! - CC

ABOUT

Stay Tonight is a duo loops creation by Olga Maldonado and Agustin that blends body extension, dance influences, and aerial partnering techniques. Each movement flows seamlessly into the next, creating a perfect symbiosis between two bodies moving as one.

Through a choreography of balance and symmetry, the performers move with precision and grace, transforming their physical connection into a poetic expression of unity and essence.
